## **NIAGARA SCENIC PARKWAY REMOVAL PHASE 3** **SCOPING UNDERWAY**

*Colliers named lead consultant  
Public Meeting Set*

The New York State Office of Parks, Recreation and Historic Preservation (State Parks) has announced the beginning of the scoping process for phase three of the removal of the Niagara Scenic Parkway, between Findlay Drive in the City of Niagara Falls and Center Street in the Village of Lewiston.

The scoping process, which will be led by Bergmann (which has joined Colliers Engineering & Design), will consider broad alternatives for creating a sensitively configured transportation network along the Niagara Gorge, and will include traffic studies, environmental review, development of design alternatives and public engagement. The entire scoping and preliminary design process is expected to wrap up by August 2025.

A public meeting will be held on **Tuesday, February 6, 2024 at in the Castellani Building at DeVeaux Woods State Park, 3160 DeVeaux Woods Drive, Niagara Falls, NY 14305**. Project displays and staff will be available beginning at 5:30 p.m. with a presentation taking place at 6:30 p.m.

While New York State Parks will be the lead agency, the City of Niagara Falls, the Town and Village of Lewiston, the New York State Department of Transportation, USA Niagara and the New York Power Authority will serve as partners.

More information about the project can be found at [www.niagaraparkwayremoval.com](http://www.niagaraparkwayremoval.com)

The New York State Office of Parks, Recreation and Historic Preservation oversees more than 250 parks, historic sites, recreational trails, golf courses, boat launches and more, which saw a record 79.5 million visits in 2022. For more information on any of these recreation areas, visit [parks.ny.gov](http://parks.ny.gov), download the free [NY State Parks Explorer mobile app](#) or call 518.474.0456.
